November 1,2013

To the Property Owners of Ferndale Borough,

Ferndale Borough is pleased to announce that we have received a two year time extension for the completion of the sewer separation project. The sewer separation project has been extended to October 1,2015. Ferndale Borough is requiring all property owners be tied in by March 31, 2015. The final 6 months (April, 2015 thru October, 2015) will be used by the Borough of Ferndale for the final change over sewer separation project.

Ferndale Borough will take legal action against property owners who fail to comply with the March 31, 2015 deadline under Borough Ordinance No. 480.

Result of this legal action will result in termination of water service along with costs and fines.

We encourage all property owners to meet the extended March 31, 2015 deadline.

For property owners who have already connected to the new system, Thank you.

For any questions and/or comments please call the Ferndale Borough office 814-288-1771.

Sincerely,

Jim Rigby
The Borough of
Ferndale
Council
President
